

Together... Better Roads, Cleaner Streams

Used motor oil can be recycled.

Never dump it on the ground or into a storm drain!

Use kitty litter to soak up oil leaks and spills. Then sweep it, double bag it, and put it in the trash.

Never hose down!

Use the least toxic products and follow directions carefully.

Never apply garden products when rain is on the way!

At Home, School, and on the Road...

Kids can make a difference!

Please share these cleaner streams tips with your parents and help them however you can!

Carpool, take the bus or ride a bike.

When it rains, air pollution turn into water pollution!

Scoop pet waste into a bag and put it in the trash.

Pet waste left on the lawn or pavement ends up in the water - yuck!

Sweep sidewalks.

Don't hose trash, dirt, or chemicals into the street!
